Published by the 1977 Annual Staff Junction City High School

THE DRAGON

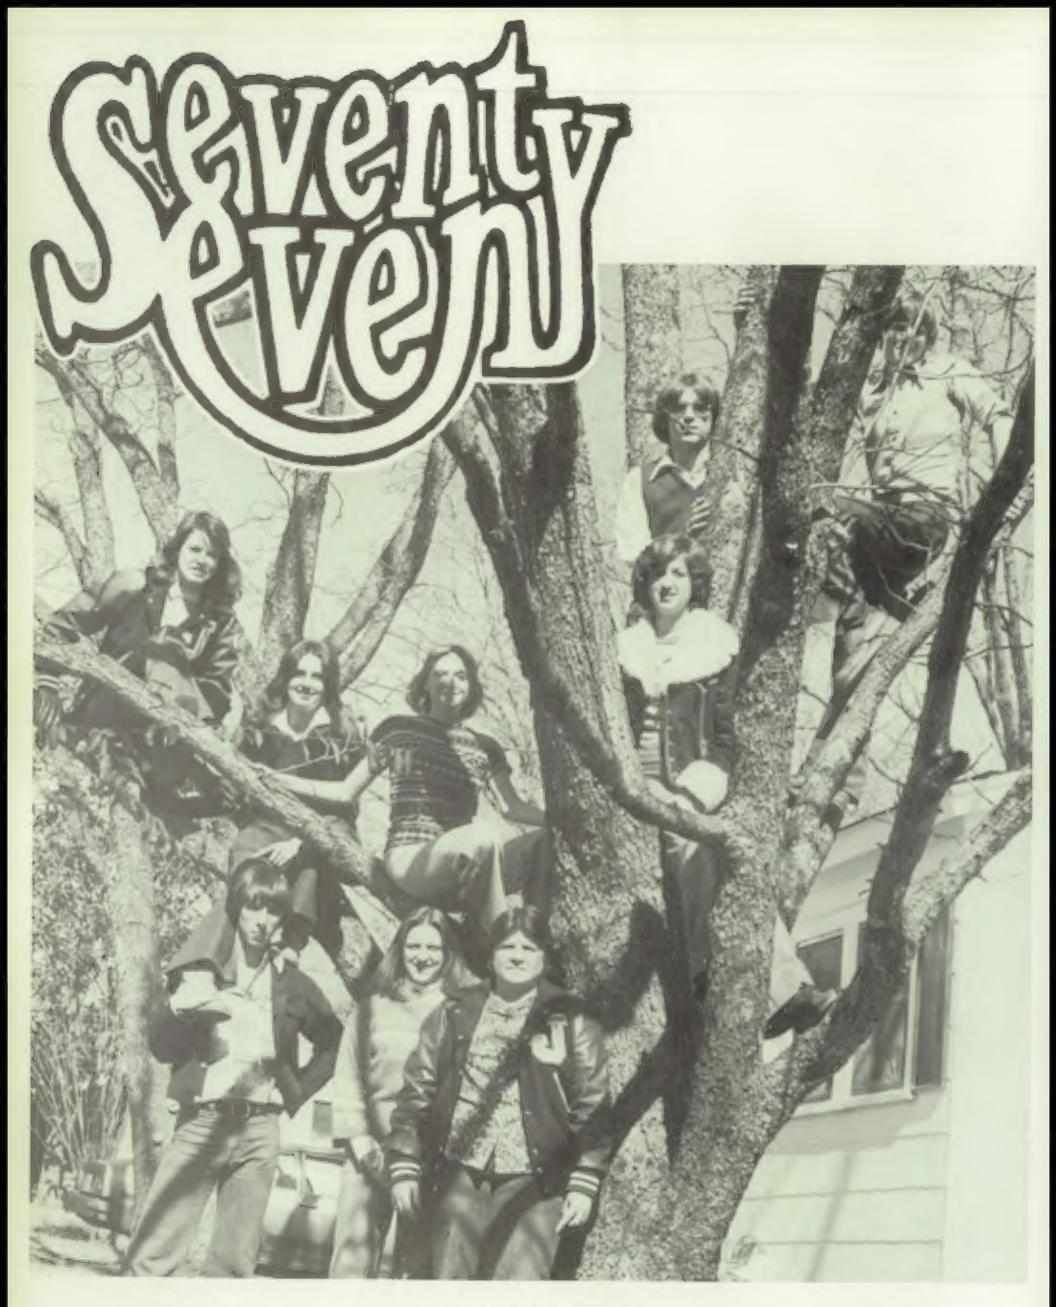

Through the years our student body has suffered many losses of one kind or another. This past year we lost not only a teacher, but a true friend.

Mrs. Mary Durham began teaching at Junction City Elementary in 1943. She taught first grade until her retirement in June, 1976.

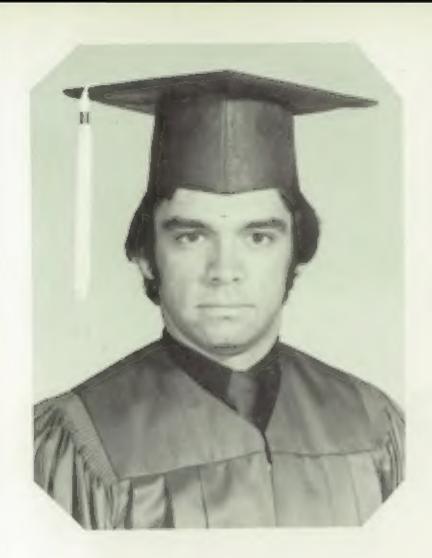

After a lengthy illness, Mrs. Mary Lou Durham died on November 18, 1976. Mrs. Durham will always be remembered by her students, friends, and relatives.

## Class History

In the year of 1 + 5, I students started out together in the first grade. Of the 5, the following 27 have graduated. Penny Bailey, Sally Brown, Harvey Carter, Dean Cook, David Ethredge, Randy Evans, Janet Fulte, Teresa Han, Janey Hux, Ricky Jerry, Jamie Martindale, Lena McDonald, Melvin Moss, Jimmy ewens, Johnette Owens, Lawrence Pepper, Ricky Pepper, Debra Price, Liz Rateriff, Marsha Smith, Becky Smider, Sharon Taylor, Jeff Thurlkill, Kevin Thurlkill, Don Williams, Dan Wood.

We all remember in the first grade, that day when Liz, Dena, Debra P., Sally, and David E. tried to searc Mrs. orider by jumping out of the bathroom. Everybody got in trouble except David, because he said he was "using it."

The third grace was the year all the girls in Mrs. Adams from get their shoes fied on for taking them off and scuffing them on the floor.

In the fourth grade we finally caught up with Stevie Cates, and Ricks and kodicy Summers. Diance Tay, or also joined as from El Dorado that year. This was also the year that came the task of learning the multiplication tables. Everybody had to stay in at recess until you made a hundred on the test. That was also the year that everyone had to learn to square dance.

Alice McDonald came all the way from kayville in the fifth grade, and Jodye McLaughlin brought her big mouth from El Dorado.

In the sixth grade, Bobby Carter, Kenneth Gray, Cassandra Henry, Barbara Hoof, Donald Hunter, Richard Johnson, Margaret Moore, Danny Nelson, Belinda Paschal, Willie Jean Scitt, Willie Mac Skinter, and Ruby Waller joined us. Later that year we added Betty Ann Hamilton to our class. And nobedy will forget the day in Mrs. Neal's room when class was interrupted by a sky diving rat that fell through the hole in the ceiling.

The seventh grade was the year the love big struck our class. Those bitten were Lena and Dan, Debruand Michael French, Janey and David, Becky and Lawrence, Liz and Cliff Mortan, Jodyc and Jeff, Saily and Jeff, Diane and Randy. That also was the year that several of the girls made good ascort the World Books in the library. Owena Michellen McLelland came to be with us from Star City.

In the ninth grade. Donald Creer joined as. This year also brought a change of life to our class, we all got to cross the road. Everybody staved lost for a whole day. But it didn't take as long to find our way around.

In the tenth grade we gained Brian Hax from Australia, and Cathy Williams Caldwell from El Dorado. In the eleventh grade Debra McDill came from Mississippi.

In our SENIOR year FINALLY ''', we added Angie Lewing from Hamburg, Danry Coffman from Sterling Park VA, and we also had an exchange student from Brazil, Hilda Falcao. The Annual staff will never forget the day. David E. threw over \$'0 of advertising money in the trash can at McDonald's.

The graduating class of 1977 will always remember the good friends, good times, and bal times we had here. To all of vou that we leave behind, we hope that you will remember us for a long time to come.

## Editor's Note

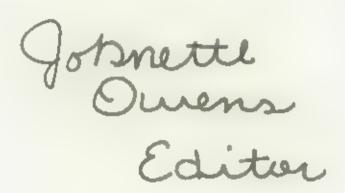

As editor of the 1977 DRAGON Annual, I would like to say thank you to everyone who helped make this year's annual so special.

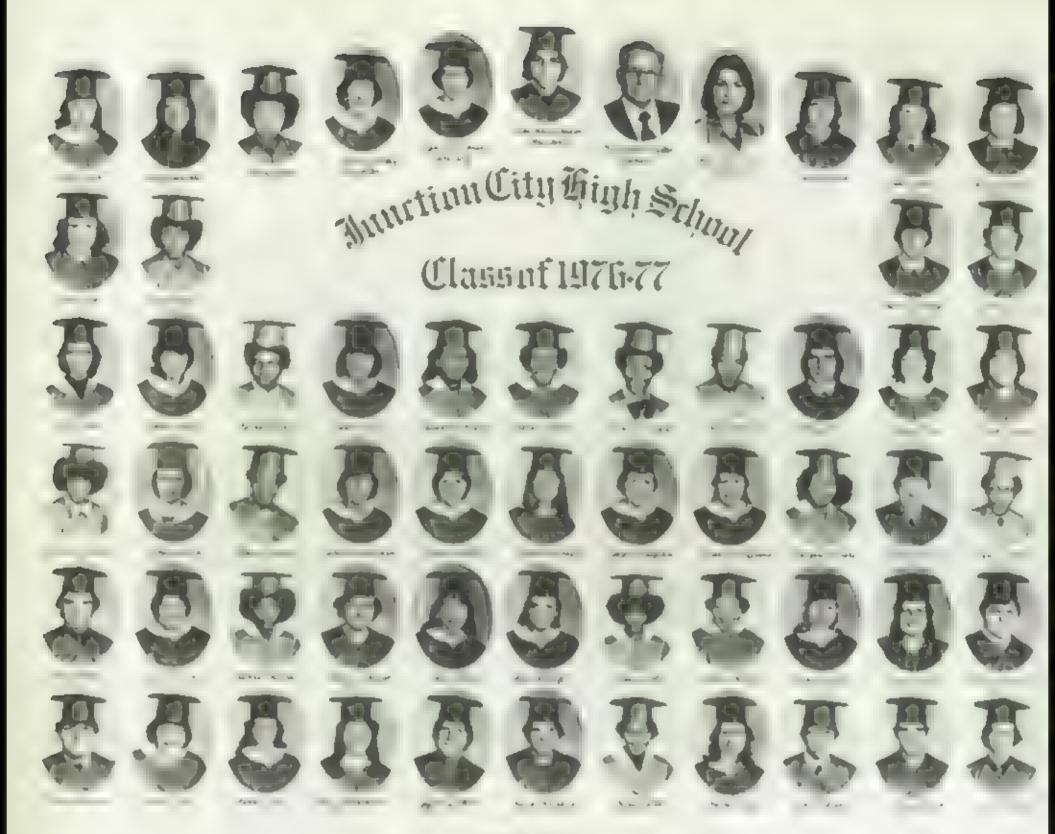

The members of the staff have worked hard together to make an annual that everyone can be proud of.

I would like to especially thank Mr. Bennie Adams, our advisor, for being so patient with us for seeping things organized. Another thank yet needs to go to all the people who graciously opened their homes for as a mase pictures. A big thanks to the staff. Without their cooperation and hard work, we would never have had such a beautiful annual.

The annual staff hopes that you will enjoy this year's annual as much as we have enjoyed putting it together. In the years to come, we hope that you will remember the class of "77," although we have moved on.

#### INSEPARABLE

inseparable, that's - how we'll always be.

Inseparable, just you and me.

It's so wonderful to know you'll always be around me.

Incredible, what you are to me.

Incredible, you bring out the woman in me with your style of love.

Inseparable, yes - we are.

We're like a flower to a tree, like words, to a melody of love.

There's no way we can break up, no words that can make us blow our thing.

We're just - Inseparable, that's how it is.

inseparable for the rest of our years.

It's so wonderful to know you'll always be around.

Class Colors: Light and Royal Blue

Class Flower: Orchid
